## FLUSH GRATED WASTE

<b>Product Code</b>	<b>DGRWASTE</b>
<b>Colour</b>	Polished chrome finish
<b>Weight (Kg)</b>	0.2
<b>Material</b>	Brass

### Key features:

- Waste size - 1 ¼"
- Unslotted
- Easy clean
- Easy install

### Description:

A modern high-quality chrome flush grated basin waste. Its flush face allows it to be ideal for commercial and clinical uses as is designed to minimise germ build up around the waste hole.

All dimensions are approximate and subject to normal variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. All guarantees are against manufacturers defects. Full information on guarantees available upon request.

## SEQUENTIAL LEVER ACTION MONO MIXER TAP

<b>Product Code</b>	<b>DMIXER</b>
<b>Weight (Kg)</b>	1.02
<b>Material</b>	Chrome
<b>Min Pressure</b>	0.2 bar
<b>Min Pressure</b>	5 bar

### Accreditation:

2107134

### Key features:

- Ceramic disc
- Simple lever operation
- Reinforced cartridge for heavy duty use
- WRAS approved
- 5 year guarantee\*

### Description:

The lever operated sequential basin mixer tap is ideal for less able users. The flat lever allows the user to operate the tap, even with limited dexterity. The smooth operation of the reinforced cartridge ensures strength and durability.

### Flow Rates

All dimensions are approximate and subject to normal variation. Although every effort is made to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. All guarantees are against manufacturers defects. Full information on guarantees available upon request.
