Description:

Leaving almost nowhere for germs to hide, this rimless wall hung pan is the perfect option for both commercial and domestic settings, where an easy clean WC is top priority. Fixing frames (such as FRAMELSIAM2PT or FRAMATPRO790) are the preferred mounting methods, however it is possible to use fixing brackets (BRACKWHKIT) and a concealed cistern.

All dimensions are approximate and subject to normal ceramic variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. *Against manufacturers defects. Full information on guarantees available upon request.
