Light sage

### Key features:

- Pre-built rigid unit
- Soft close hinges
- Fitted look modular design
- Shaker style
- 18mm carcass

### Description:

Sophisticated and desirable, the Saffia furniture range is a Shaker style that is the perfect match for the Saffia range, reminiscent of a bygone era. However it is totally contemporary in light sage colour and works equally as well with sanitaryware from the other Design Series ranges.
