

RAMIRA SHOWER ARM BRUSHED GOLD

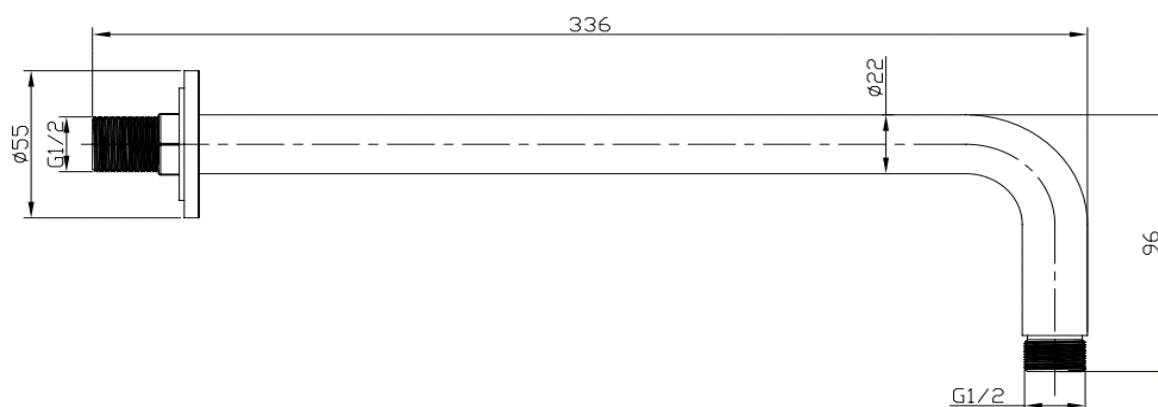

Product Code	SHRASABG
Weight (Kg)	0.38
Material	Brass, stainless steel
Finish	Brushed gold

Key features:

- G1/2" BSP external (male) thread
- PVD coated
- Brass body
- Modern design

Description:

Made from a solid brass body with a stainless steel inlet connector. Finished in brushed gold to BS EN 248, it provides a polished contemporary look. Designed for easy installation and compatibility with all plumbing systems, this 300mm arm offers a clean, minimal connection for overhead shower heads.

All dimensions are approximate and subject to normal variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary.
