Colour	Mixed
Waste	Suitable for 38mm
Extras	40cm bowl - URBOW40 50cm bowl - URBOW50 60cm bowl - URBOW60

Key features:

- Waterless
- Includes valve, enzyme hygiene bio block, change out key, 2 adapter rings

Description:

Save up to 100,000 litres of water and 105kg/CO₂e of Carbon per urinal per year.

Includes triple seal non return valve technology to prevent odours as well as multiple integrated enzyme hygiene bio blocks to remove all bacteria, virus's and bio film build up.

General information and maintenance

As soon as the green Key-Ring is empty, the Key-Valve E needs to be replaced. This occurs after approximately 7'500 usages.

Use a mild surfactant based and pH neutral cleaner (0-15% anionic and/or non ionic surfactants).

Uncritical additives are enzymes, perfume, oils, dyes, inhibitors, etc

CAUTION: No use of harsh cleaner as for instance chlorine or bleaches as well as solvent based cleaning agents. No use of acids or alkalines.
