### Description:

The Zara Sliding Door shower enclosure range is available in a number of sizes, fitting widths of 1000mm to 1700mm. With 6mm toughened safety glass, Polished Chrome and Matt Black frames as well as Brass bolt through handle, the range is a beautiful complement to modern bathroom design.

All dimensions are approximate and subject to normal variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. All guarantees are against manufacturers defects. Full information on guarantees available upon request.
