Description:

Modern contemporary square semi recessed basin. Our designers have taken a classic approach to this semi recessed basin, making great use of space and capturing the current design trend of soft square. This basin fits into 300mm deep furniture.

All dimensions are approximate and subject to normal ceramic variation. Although every effort is made not to change the above product specification, Lecico reserve the right to do so without prior notification if necessary. *Against manufacturers defects. Full information on guarantees available upon request.
