Dear Sirs,

Ref: The Draft Recommendation of new boundaries for wards in Nottingham.

We have followed with interest that borders of the wards will be affecting the area we serve. The Park is a unique area where the residents have a direct hand in running some of their own services and the community spirit, is for this reason, very strong. This is reflected in a number of institutions including our own, The Nottingham Park Estate Ltd, and the NPRA Nottingham Park Residents association amongst others. We believe that in changing the boundaries as you are suggesting will be beneficial to the residents of the Park as it will give direct representation to the residents to a Councillor who will be directly responsible to what the resident's needs are, we think it will help us maintain and enhance the Park's unique character and give us a direct voice to that end on the council. We therefore wish to voice our support for the draft changes.

Yours faithfully,

Director,
On behalf of The Nottingham Park Estate Ltd

PP. Kirsty Faulconbridge
Estates Assistant.
