Name: Barry Holliday
E-mail: [REDACTED]
Postcode: [REDACTED]
Organisation Name: Liberal Democrats - City of Nottingham

Comment text:

Nottingham City Liberal Democrats welcome the draft report of the Commission, with its commitment to natural communities. We particularly welcome the single member wards, such as Park Ward, which combine a natural community with achieving close electoral equality of members to electorate. The only change we propose is that Clifton North should be split with a separate single member ward for Wilford and Silverdale.
