Chief Executive, St Albans City & District Council

Dear Ms Foley

## **ELECTORAL REVIEW OF ST ALBANS CITY & DISTRICT COUNCIL: FINAL RECOMMENDATIONS**

The Local Government Boundary Commission for England has published final recommendations setting out new electoral arrangements for St Albans Council. Details of the recommended changes are contained in a report which explains how they have been developed, including how we have taken into account local views. The report and interactive mapping are available on our consultation site: <https://consultation.lgbce.org.uk/node/18188> and the full library of information relating to the review is available on our main website: <https://www.lgbce.org.uk/all-reviews/eastern/hertfordshire/st-albans>.

The recommendations only become law once they have received parliamentary approval. The formal document (a draft Order) to start that process will be laid in Parliament shortly. The draft Order will provide for the new electoral arrangements for St Albans to come into effect for local elections in 2022. We have informed all relevant parish and town councils, MPs, the police authority, the national headquarters of the main political parties and all those who took part in our consultations of the recommendations.

On behalf of commissioners and staff I would like to thank you and your colleagues for your co-operation and assistance throughout the review. We are a learning organisation and are always looking at how we can improve our review processes. We would like your help with this. I have included with this letter a number of questions. If you could provide some thoughts in response, we would appreciate it. Please e-mail your responses to [reviews@lgbce.org.uk](mailto:reviews@lgbce.org.uk).

In addition, I would also like to invite you to participate in our online opinion survey: <http://www.lgbce.org.uk/about-us/lgbce-opinion-survey> which we send to all stakeholders.

Yours sincerely
