

Camden Council: New Draft Recommendations

Tell us what you think

The independent Local Government Boundary Commission for England is asking for your views on proposed new electoral arrangements for Camden during a period of further consultation.

We have been persuaded to make significant changes to our original draft recommendations. Given this, we have decided to publish new draft recommendations and consult on them for 6 weeks.

- Do the proposed wards reflect local communities?
- How do you think the proposals can be improved?
- Are the names of the proposed wards right?

**Consultation closes:
11 November 2019**
