### Comment text:

1. We would like to see "Highlands Ward" renamed "Merryhills Ward". The name "Highlands Ward" causes confusion as people think Highlands Village is in "Highlands Ward". Merryhills is the name of a brook falling in "Highlands Ward" and the name Merryhills Valley is used in a local characterisation study of the area. It is also the name of a local primary/Junior school in "Highlands Ward". 2. We would like to see the boundary of Grange/Highlands Ward in Windmill Hill run along the back gardens of properties. Confusion arises in crime reporting as the Met Police Safer Neighbourhood Teams boundary mirrors "Highlands Ward". Depending on which side of Windmill Hill the property is the crime could be in either Grange or Highlands wards. Put the boundary in the back garden will make Windmill Hill fall in one ward.
