

GREENWICH

MARCH 2021

Currently there are:

- 51 councillors
- 17 wards
- Three councillors per ward

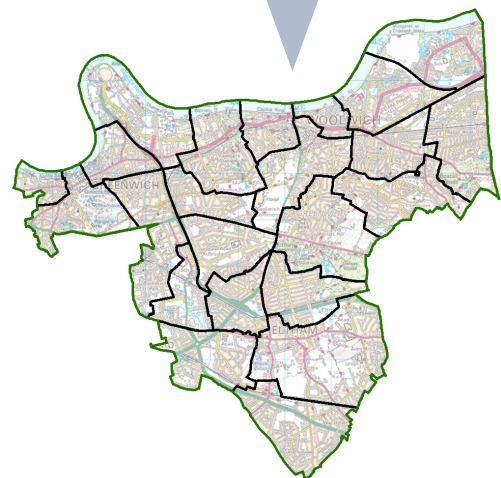

We are proposing:

- 55 councillors
- 23 wards
- Two or three councillors per ward

A public consultation is open until
10 May 2021

We aim to make sure Greenwich
councillors represent a similar
number of electors

Currently there are:

- 10 wards that are more than 10% away from the average number of electors per ward
- Two wards that are more than 30% away from the average

Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 3,958 electors
