

# HAVERING

## NEW ELECTORAL ARRANGEMENTS

JULY 2020

### Currently there are:

- 54 councillors
- 18 wards
- Three councillors per ward

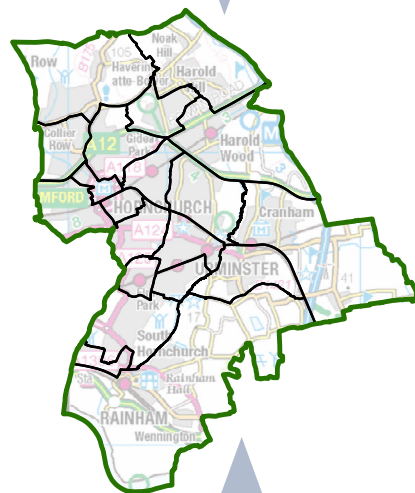

### We are proposing:

- 54 councillors
- 20 wards
- Two or three councillors per ward

A public consultation is open until  
**05 October 2020**

We aim to make sure Havering  
councillors represent a similar  
number of electors

### Currently:

- Two wards are more than 10% away from the average number of electors per ward
- By 2025 this is projected to increase to nine wards

### Our proposals mean that:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 3,866 electors
