JUNE 2020

## NEW ELECTORAL ARRANGEMENTS

### Currently there are:

- 54 councillors
- 18 wards
- Three councillors per ward

448 representations from residents  
and organisations helped shape our  
recommendations

We aim to make sure Lewisham  
councillors represent a similar  
number of electors

### From elections in 2022:

- 54 councillors
- 19 wards
- Two or three councillors per ward

### Currently:

- Two wards are more than 10% away from the average number of electors per ward.
- By 2025 this is projected to increase to six wards

### Lewisham will move towards

- No wards being more than 10% away from the average number of electors per ward
- Each councillor representing an average of 3,826 electors
