Dear Daniel,

Newham Council Size

Thank you for the opportunity earlier this week to discuss the electoral review of Newham with Amanda and Rokhsana. It was a very constructive and helpful meeting.

Further to our discussion, the Commission welcomes further views from the Council on what the number of councillors for Newham should be. It is the Commission's intention to consider and agree the number of councillors to be elected to Newham at its meeting in May 2019. Accordingly, I would welcome this information by 18 April.

Yours sincerely,

Alison Evison
