## NEW ELECTORAL ARRANGEMENTS

NOVEMBER 2020

### Currently there are:

- 60 councillors
- 20 wards
- Three councillors per ward

213 submissions from residents  
and organisations helped shape our  
recommendations

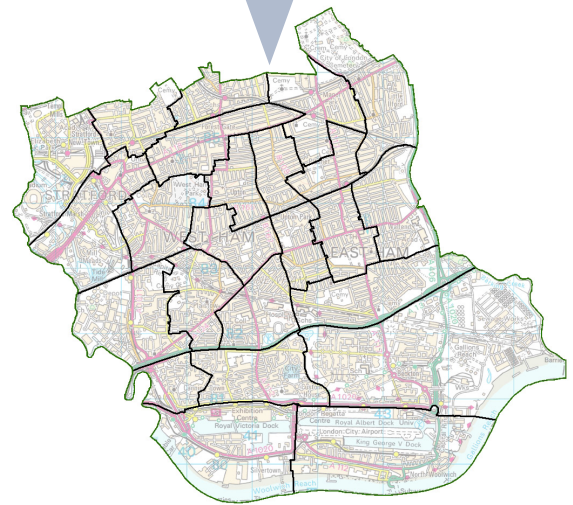

We aim to make sure Newham  
councillors represent a similar  
number of electors

### From elections in 2022:

- 66 councillors
- 24 wards
- Two or three councillors per ward

### Currently:

- Five wards are more than 10% away from the average number of electors per ward
- By 2025 this is projected to increase to 15 wards

### From elections in 2022:

- No wards will be more than 10% away from the average number of electors per ward
- Each councillor will represent an average of 3,910 electors
