### **Comment text:**

The ward boundary in the N.E. of BDBC area should follow the area covered by the parish and community magazine, Loddon Link. (See:[www.loddonvalleylink.org.uk](http://www.loddonvalleylink.org.uk)). i.e. Sherfield on Loddon, Sherfield Park, Statfield Saye, Hartley Wespall and Stratfield Turgis. Bramley could also be included in this grouping. Possibly Sherfield Park could be left out as it is quite new and be put in with Chineham which has a more similar character. This would better reflect the focus and close links in the area. Pamber , Silchester and Tadley have no connection with the eastern part of the ward at all
