Comment text:

Please move the people in the Barton & Sandhills Ward within the ring road into the Headington ward. Once Barton Park is built then the Barton & Sandhills ward will be far larger than the adjoining wards. It is also very difficult to get representation as city councillors for B&S are understandably preoccupied with issues in Barton and Sandhills, which are not relevant to people within the ring road. The Headington city councillors are very good but we can't go to them as they do not represent our area.
