Dear Sir,

ELECTORAL REVIEW DORSET

I am writing on behalf of the Broadwindsor Group Parish Neighbourhood Plan Committee, of which I am Chairman.

The Committee understands that the Local Government Commission has suggested plans to change the composition of the Broadwindsor Group Parish by removing the ward of Seaborough and replacing it with the ward of Stoke Abbott.

You may not be aware that Broadwindsor Group Parish Council is currently developing a Neighbourhood Plan. This process started in 2015 and significant time, effort and money has been expended on the project so far. Seaborough is an integral part of this Plan. Removing Seaborough and inserting Stoke Abbott at this stage will materially affect our Plan causing a large amount of re-working and public consultation.

In view of the considerable work already undertaken and what would be necessary to accommodate the alteration, I am asking that you reconsider your proposals and leave Broadwindsor Group Parish as it is.

Yours faithfully

Councillor Rowland Hibbard

Chairman
