Hello Boundary Commission

Shipston Town Council understand that electoral boundaries in our area are under review.

We also understand that Stratford District Council are, in order to reduce the number of District Councillors, dividing Shipston into two, the north area joining Tredington and the South side joining with Stretton on Fosse.

We have discussed the warding of our town for Town Council elections and our policy is that we do not consider that this is necessary because the town covers too small an area. This policy was unanimously agreed by the Town Council 10th September 2012.

I hope that our comments can be taken into consideration.

Kind regards

---
