Subject: Proposed ward boundary changes

As a Cookley resident, I was concerned to discover the proposals for a huge rural ward, to include Chaddesley Corbett and Blakedown. I am firmly of the opinion that 'Wolverley and Cookley' should be a ward in its own right, without the addition of the other two, with which we have little in common. It is difficult to see how the needs of such different communities could be satisfactorily dealt with as one unit.
