Dear Sir or Madam,

Electoral Review of Warwickshire

In connection with the above review, the Warton ward members of Polesworth Parish Council wish the review to include the revocation of an earlier review decision to extend the Baddesley division to include the village of Warton, and to return Warton village to the Polesworth division with which it has more geographical and local government affinity.

Polesworth Parish Council agrees with and fully supports the request of its Warton ward members and residents.

Yours faithfully,

[REDACTED]
D. Craig
