Annotation 1: Transfer the parish of Farrington into Ropley and Tisted ward

Annotation 2: Rename the ward of 'Downland' to 'Bentworth Downland'

Comment text:

Bentworth is the largest parish in the Downland ward and also has the largest population in that ward. Its dominating landscape as well as being the highest village in Hampshire makes sense to rename this ward. This is also the only ward in East Hampshire to not currently have a village in its name. Another alternative for the name could be "Bentworth and Downland".
