

East Hampshire District**Personal Details:**

Name: Leah Coney
E-mail: [REDACTED]
Postcode: [REDACTED]
Organisation Name: Alton Town Council

Comment text:

It is the view of Alton Town Council that with the development of the Hybrid South Alton plan and the development at Will Hall Farm there is an imbalance across the Alton Town Parishes resulting in Alton Whitedown serving a greater number of people than the other wards and should be redrawn to have a fairer distribution of population between the Whitedown and Amery wards. This may be best served by including the new Will Hall Farm development within the Amery.
