Dear Sir

ELECTORAL REVIEW OF WYRE FOREST

We are responding to the public consultation on the proposal to reduce the number of District Councillors in the District of Wyre Forest.

We understand that the District Council are considering reducing the number of Councillors to 33 to cover their electorate of 81,908. We would agree with this proposal.

It is also proposed to group 3 existing rural Wards, i.e.

Wolverley
Cookley
Blakedown

Chaddesley Corbett
Stone
Rushock

with 3 District Councillors appointed to serve this area and an electorate of 7,209.

We would have no objection to this proposal as all these parishes are in rural areas, situated just outside Kidderminster town, and operate under similar conditions, although they vary considerably in size.

Yours faithfully

[REDACTED]

Yvonne L Scriven
Clerk to the Parish Council
