Dear Mr. Pascoe,

### **ELECTORAL REVIEW OF KNOWSLEY**

On behalf of all of the members of Cherryfield Ward Labour Party, I write to register our full support to the proposal for a future Metropolitan Borough of Knowsley Council size of 45 Elected Members and the proposed warding arrangements as tabled by the Commission and agreed by Knowsley Council at a full Council meeting on Wednesday 25<sup>th</sup> March 2015.

We feel that the proposals in particular reflect local community interests and identity, while striving to achieve electoral equality. In turn we feel that the proposals provide for effective and convenient local government.

In addition we fully welcome the fact that the proposals will produce savings of around £250,000 per year.

We would be grateful if these positive comments could please be taken into account by the Commission.

Yours sincerely,

**Cllr David Lonergan**  
**Secretary**  
**Cherryfield Ward Labour Party**
