### Comment text:

Wanstead ward numbers could be made up by adding Wanstead High Street plus the adjacent roads on each side down to the Green Man Roundabout on the West and Buckingham Road on the East side with New Wanstead and Hermon Hill forming the boundary on the North side. Buckingham Road, New Wanstead and Hermon Hill should all be included in adjacent wards. This expanded area would form a natural community which would more properly called Wanstead Ward.
