

Dear Jolyon,

Further to the Parish Council meeting held on Thursday the 4th March Earith Parish Council would like their views to be noted when the electoral review is being considered. They would like to be aligned in a boundary with Colne and Bluntisham only and no longer want to be joined to Needingworth as the villages of Colne and Bluntisham are our neighbouring boundary villages and we currently work closely with these villages. We do not have any contact or involvement in the workings of Needingworth and feel that this village is far removed from Earith in both distance and involvement.

Please can these comments be noted when the review is being discussed.

Many thanks and best regards

Mandy Pink

Earith Parish Clerk
