Dear Sir/Madam,

**Re: Croftdown Road, Harborne, Birmingham**

I am writing on behalf of a number of concerns residents who have raised concerns regarding the current boundary review.

I have been informed that the current proposal is to move Croftdown Road from Harborne into Quinton. Residents have stated that this will considerably affect their house prices. One resident informs me of purchasing the house in recent years at a high price which is likely to decrease if moved into Quinton.

I would be grateful if you would take the above concerns into consideration and keep me informed of the proposals to boundary changes.

Yours sincerely,

**GISELA STUART MP**
