Comment text:

Bucklebury Parish council...The ecclesiastical parish of Bucklebury extends to Marlston and Stanford Dingley. They come within the jurisdiction of the Blade Bone surgery services which include The Chapel Row Community Service Group. This also covers Woolhampton, upper Woolhampton and Midgham. These near by parishes have similar needs to our own, public transport, conservation issues, problems with 4x4’s off roading, flooding and planning. it would therefore be appropriate for Bucklebury to be linked to these similar nearby rural parishes.
