Subject: Electoral Review of Vale of White Horse DC

Dear Review Officer

Wootton (Abingdon) Parish Council discussed the Review at its meeting on 3rd April. The Parish Council has no objection, in principle, to a reduction in the number of District Councillors but attaches considerable importance to the Parish being well represented at District Council level. If the reduction in the number of councillors means that their ward is too large and their time is spread too thin this would not be acceptable. Part 2 of the Review is clearly the most relevant but this will be governed by Part 1

Best regards

George

George Edmonds-Brown
