Mark Pascoe
Review Officer (Knowsley)
Local Government Boundary Commission for England
Laydon House, Turnbull Street
London EC1 5LG

Dear Mr Pascoe,

I am writing on behalf of Prescot West Members Branch, regarding Knowsley MBC and their submission to the Boundary Commission concerning the re-warding of Knowsley Councils boundaries.

It was agreed the reduction from 63 members to 45 and the re-alignment of ward boundaries will reflect and protect community interests and identity. Plus giving the wards better electoral quality and effective local government to residents of Knowsley.

We would wish that these comments would be taken into consideration by the Boundary Commission.

M. Murphy, secretary.
