Subject: Against proposal of Harborne boundary change

Dear Sir/Madam

I want to register that I am totally against the proposed boundary changes to the Beech Lanes area of Harborne.

I have lived within this community for much of my life and my family have been here for several generations.

It is unique in it's nature and one feels in a sense of community of being a resident of Harborne.

After looking at your plans it seems most illogical to 'cut' off a corner of Harborne that dates back as a village to the 1700's.

A very sensible and logical boundary is already in place down Balden Road which makes perfect geographical sense.

As much as I have been told that this has been widely advertised I only heard about this boundary change at the last week.

A few residents on the estate appear to have had a leaflet through the door, sadly I was not one on them and am very sad and annoyed that I have not been given the appropriate time to voice my strong held opinion.

I WANT TO REMAIN in Harborne where I chose to live. I look forward to your reply.
