Subject: Boundary changes to London Borough of Bexley

Dear Sirs,

With reference to your revised proposals for the boundary changes in the Bexley. The new proposals that you have put forward are acceptable, but for a two exceptions. The first, is that the name of the ward remains Slade Green and not Northend and Slade Green, and the second is that the train station remains in the ward and is not moved by boundary changes into another, the reason for this is that this is the only way into Slade Green by rail, as with the road system there is only one way in and out of the area.

Many Thanks

Paul Chapman
