Subject: Harrogate & District - Boroughbridge Ward

Dear Commissioners,

I and my wife are long standing residents (more than 40 years) of the Boroughbridge Ward within the District of Harrogate.

We understand that the latest proposal is to place the Boroughbridge Ward into the Selby & Ainsty Constituency with which there is little in common.

Our objection to this proposal is straight forward, it's about the communities and partnerships that the Town has built up with our neighbours Knaresborough and Pateley Bridge over it's lifetime.

We urge the commission to support the status quo.

Regards

Tina & Bob Mansfield
