Dear Review Officer

Electoral Review of West Berkshire: Further Warding Arrangements

In response to your further letter dated 13th June 2017 Winterbourne Parish Meeting (Winterbourne’s Parish Council) has nothing further to add to its letter to you of 11th March 2017 other than to reiterate that, as small semi-rural village, there would be considerable merit in our being part of a Ward whose constituents are villages similar to ours such as Chieveley rather than Speen to which we are presently assigned.

John Hayward
Chairman
Winterbourne Parish Meeting
