We would support being in Ampfield instead of Romsey Extra. We are far more attached to Ampfield as a family. We have lived in Ampfield on the edge of the Straight Mile since 1982 and currently since 1994 lived in Jermyns Lane and supported Ampfield for some 35 years. We were married in Ampfield Church in 1968. Our eldest Son was married in Ampfield and our Granddaughters were both christened in Ampfield Church. I lived in Ampfield with my Mother and Brother prior to marrying and my Mother was a member of the Mothers Union in Ampfield. We therefore would strongly support the boundary change as we feel we belong to Ampfield Parish
