

East Hampshire District**Personal Details:****Name:** Elizabeth Cartwright**E-mail:** **Postcode:** **Organisation Name:** Liss Branch of the East Hampshire Conservative Association**Comment text:**

I am writing on behalf of the Liss Conservative Branch of the East Hampshire Conservative Association. We would like to support the Boundary Commission's recommendations for Liss that it should become one dual member ward. I think there are great advantages of being a dual member ward as if the Councillors work together collaboratively they can split the work load and play to their individual strengths. In addition should a Councillor be away or ill, the other Councillor can undertake the work for the whole ward without any detriment to the residents. I was a Councillor myself for 24 years in Liss and have had very good experience of dual member working. Elizabeth Cartwright
