Dear Sirs

*Reponses for the boundary review for a new Avonmouth and Lawrence Weston Ward.*

NO just NO

As a lifelong resident of Lawrence Weston, I would welcome the idea, to be separate from Shirehampton and Avonmouth.

We have our own unique social problems here and they would be drowned out by the more affluent Shirehampton and the more industrial pollution of Avonmouth.

Please consider leaving Lawrence Weston with its own councillor or councillors. Or leave us as we were.

Yours faithfully

Nicola Taylor.
