Dear Sir or Madam,

Proposed boundary changes to *Weston Green* ward

I am Headteacher of Cranmere Primary School and I am writing on behalf of the Governing Body to request that, when the boundaries of the new wards are drawn up, Cranmere Primary School remains part of *Weston Green* rather than becoming *Esher*. Please note that our school is due to move a short distance from our present site at the end of *The Drive* to a new building which is currently being built at the end of *Arran Way*.

The reason for this request is that our school has always had a close relationship with the councillors for *Weston Green*, one of whom was a founding governor of Cranmere, and also with *All Saints at Weston Green*. The vicar of *All Saints* has always been a governor of our school, and the present incumbent is likely to become chair of our governing body in September.

I hope that you will consider this request favourably.

Yours faithfully,

Gillian Freeman
Headteacher
