Dear Mr Dunkeyson

Electoral Review of Three Rivers District Council

I am the Ward Councillor for Sarratt and I fully support the Parish Council's request to adopt 1 Councillor for this unique ward.

I have been Sarratt Ward Councillor for the last 17 years, when I was originally selected to represent Sarratt in 1996 there were 2 Councillors it was then reduced to 1 after a boundary change 1997/1998.

I am heavily involved in all aspects of Sarratt's community particularly dealing with the senior residents. I attend Sarratt Care Lunch Club, Sarratt Village Hall Committee meetings and Sarratt Parish Council meetings. I was also involved in the purchase of the Village Post Office.

The importance of having a single Councillor is paramount to work with all the committee's and to be involved with the community to be hands on with all aspects of Sarratt life.

At the last election I recorded 83% of the vote, which I am personally very proud, but to get this I have worked hard to learn about Sarratt's community and its needs.

I believe Sarratt is in need of a single Councillor.

Yours sincerely

Councillor Tony Barton
