Your feedback:

Kingston Bagpuize with Southmoor Parish Council objects to the District Council's proposed 25% reduction in the number of members. This will weaken the link between Members and Electors by increasing the number of electors in each Ward and, of particular importance in rural areas, the area of the District served by each member.

This will lead to a diminution in democratic representation and so reduce the ability of the District Council to serve the community by reflecting all shades of opinion.
