

# Should Balsall Heath be split up?

The Local Government Boundary Commission for England is re-drawing the Council Ward Boundary map for Birmingham. This is for the area where you elect your local Councillor.

They propose that the area around **Edward Rd** be renamed '**Balsall Heath Ward**' and that the area around **Ladypool Rd** becomes '**Sparkbrook Ward**'. They also say that **Balsall Heath Park** should be moved to **Moseley Ward**.

**The Balsall Heath Forum proposes that Balsall Heath is not split in half.**
