Subject: Fwd: Bexley -Further consultation on draft recommendations

Dear to whom it may concern,

I am writing in reference to further consultation on draft recommendations for local ward boundaries in Bexley, I have the following observations:

Proposed name of Northend and Slade Green should become just **SLADE GREEN** as no one identifies as living in Northend.

Slade Green railway depot should be in Slade Green ward not as is proposed in Crayford, this is ridiculous as the only way to this depot is from Moat Lane/Forest Road which is in Slade Green, Thames Road waste and recycling centre should also be retained in Slade Green, as it is at present in Northend ward, indeed the boundary could be moved as far as Thames Road between Crayford and Slade Green ward.

Clarity should also be given as to whether Britannia Close is in Erith or Slade Green ward, as this has been a matter of confusion in the past.

The rest of the proposed wards in the further consultation, I am broadly in favour of and would be happy to see them implemented.

Regards

Cllr. Stefano Borella
