### Comment text:

Dear Sir I can't make your map work. I am contacting you on behalf of Embleton & District Parish Council covering the wards of Embleton, Setmurthy & Wythop. The Parish Council have considered the consultation that is currently open and have resolved that they **STRONGLY OBJECT** to the proposals for the movement of Embleton & District Parish Council into the All Saints Ward. The rationale for this objection is three fold: 1) Embleton & District are not a suburb of Cockermouth, they are a rural parish with different needs & priorities from an urban ward. 2) If there are to be 3 councillors for All Saints, will one specifically be concerned with the rural parishes. The Rural parishioners are few and the urban electorate is many, how will the rural parishes have their voice heard? 3) Cockermouth is not in the Lake District where as Embleton & District Parish Council is entirely within the LDNPA boundaries, with all that that means regarding planning & like minded thinking. Embleton & District Parish Council request that the boundaries are redrawn to include Embleton & District with Lorton & Above Derwent with Keswick with whom the Council have more in common. Embleton & District Parish Council electorate is a small and any variance should be accommodated for the benefits that the parishioners of Embleton & District would gain. I would appreciate it if someone could acknowledge receipt of the above comments. Regards Becc Carter Embleton & District Parish Clerk
