

Dear Mr Morrison,

The Parish Council have considered the proposal and have asked that I make the following comment upon their behalf.

This is a rural Parish comprising of 2 villages, it is felt that the interests of the residents would be best served if the Parish stayed in a more rural ward as the Councillor would have more empathy with the issues faced.

Concern was also raised that a move to place Holywell & Needingworth in with St Ives South as per the recently published recommendations of the CCC Boundary review will set a precedent for a Parish Boundary review which would be the start of 'creep' to joining St Ives.

Regards
