As a resident of Abbots Ann village, I am in favour of the boundary change which would move Burgclere Down into Andover Millway Ward. Burgclere Down residents pay their precept into Abbots Ann but do not receive as much benefit from it as the remainder of the current parish. Whilst the new boundary would reduce the amount raised by the precept, this would be logical and enable the parish council to concentrate on the current village, even if the precept had to be raised.
