Subject: RE: Electoral review of Vale of White Horse

Dear Jessica

This matter was considered at tonight's meeting of Shrivenham Parish Council. Overall the Parish Council favours a reduction in the number of Councillors on the Vale of White Horse District Council, as long as it does not result in a reduction in the number of Councillors in the rural areas, who already have wide geographical areas and a large number of Parish Councils to cover.

Many thanks,

Peter

Dear Mr Anderson

Thank you for your email, and for your interest in the review. I'd be very happy to accept a view from the parish council on Tuesday evening or first thing on the Wednesday. We'll need to start sorting and considering submissions as soon as possible after the closing date, but providing that your email reaches me before lunch on Wednesday 9 May then it would be considered.

Kind regards

Jessica

Dear Ms Metheringham-Owlett

Thank you for this. Our next Council meeting is on Tuesday 8 May. Would you be willing to accept a view from us on Wednesday 9 May? If that is not possible I guess that I could forward the view late on the night of Tuesday the 8th?

I look forward to hearing from you.

Yours sincerely,

Peter Anderson
Clerk to Shrivenham Parish Council

Subject: Electoral review of Vale of White Horse

Dear Parish or Town Clerk

I am writing to you regarding the electoral review of Vale of White Horse.

On Tuesday the Commission formally commenced a public consultation on council size. Letters were sent to parish councils in Vale of White Horse, along with a poster. I attach a PDF of this letter and a PDF of the poster.

The Commission welcomes views on a possible council size of 38, and is keen to hear from parish and town councils, councillors and local residents. This stage of consultation closes on 8 May 2012.

Once the Commission has reached a decision on the most appropriate council size for Vale of White Horse, there will be further public consultation on the district wards. This will cover the number and boundaries of district wards, as well as the names of wards. I will be in touch with you again when this consultation starts.

If you have any queries or you would like to make a submission on council size, please email me or my colleague Richard Otterway (richard.otterway@lgbce.org.uk).

Kind regards

Jessica
