Dear Sirs

With reference to the proposed ward boundaries affecting the Knaresborough Wards of Harrogate District, I note that the proposals effectively create a Tentergate Ward covering most of Knaresborough Town Centre which I welcome. However I note that the proposal for York Place is that it is split down the middle with the different sides added to the separate suburban wards of Eastfield and Aspin.

I feel as a resident of York Place that we are very much residents of the Town Centre and share many of the pluses and minuses of living in Town Centre. In particular the issue of poor air quality due to pollution is an issue that we share with other parts of proposed Tentergate ward. Other areas such as parking, occasional anti-social behaviour and waste/re-cycling are areas where living in the Town Centre creates different priorities.

I should be grateful if you would consider revising the treatment of York Place and expect that the actual numbers of residents involved will not be very great

Kind Regards

Bryan Robinson
